Dear Sir/Madam,

PROPOSED RENEWAL OF AND NEW SHAREHOLDERS' MANDATES FOR RECURRENT RELATED PARTY TRANSACTIONS OF A REVENUE OR TRADING NATURE

1.0 INTRODUCTION

- 1.1 The Board of REDtone had on 7 October 2024 announced its intention to seek shareholders' approval for the proposed renewal of and new shareholders' mandates for Recurrent Related Party Transactions.
- 1.2 The purpose of this Circular is to provide you with the relevant information on the Proposed Mandates and to seek your approval for the ordinary resolutions to be tabled at the forthcoming Twenty-Second AGM of the Company. The Notice of AGM is set out in the Annual Report 2024. The extract of the ordinary resolutions on the Proposed Mandates to be tabled at the forthcoming AGM are enclosed together with this Circular.

2.0 DETAILS OF THE PROPOSED MANDATES

2.1 The Proposed Mandates

- 2.1.1 The Company had on 4 December 2023 obtained its shareholders' mandate for the REDtone Group to enter into Recurrent Related Party Transactions on terms that are not more favourable to the Related Parties than those generally available to the public. The approval shall in accordance with the Listing Requirements lapse at the conclusion of the forthcoming AGM of the Company scheduled on 3 December 2024 unless approval for its renewal is obtained from the shareholders of the Company at the forthcoming AGM.

- 2.1.2 Pursuant to Paragraph 10.09(1)(a) of the Listing Requirements, REDtone must immediately announce a Recurrent Related Party Transaction where:-
- (i) the consideration, value of the assets, capital outlay or costs of the Recurrent Related Party Transactions is RM1 million or more; or
 - (ii) the percentage ratio of such Recurrent Related Party Transaction is 1% or more,
- whichever is the higher.

In addition, Paragraph 10.08(2) of the Listing Requirements states that where any one of the percentage ratios of a related party transaction is 5% or more, REDtone must issue a circular to its shareholders, obtain specific shareholders' approval of the transaction and appoint an independent adviser. Further, Paragraph 10.08(4) of the Listing Requirements states that where any one of the percentage ratios is 25% or more, in addition to the foregoing, REDtone must appoint a main adviser.

- 2.1.3 Pursuant to Paragraph 10.09(2) of the Listing Requirements, REDtone may seek a shareholders' mandate in respect of Recurrent Related Party Transactions subject to the following:-
- (a) the transactions are in the ordinary course of business and are on terms not more favourable to the related party than those generally available to the public;
 - (b) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year where the aggregate value is equal to or more than the threshold prescribed under Paragraph 10.09(1) of the Listing Requirements;
 - (c) the REDtone's circular to shareholders for the shareholders' mandate includes the information as may be prescribed by the Exchange. The draft Circular together with a checklist showing compliance with such information must be submitted to the Exchange;
 - (d) in a meeting to obtain shareholders' mandate, the interested Director, interested Major Shareholder or interested Person Connected with a Director or Major Shareholder, and where it involves the interest of an interested Person Connected with a Director or Major Shareholder, such Director or Major Shareholder, must not vote on the resolution approving the transactions. An interested Director or interested Major Shareholder must ensure that Persons Connected with him abstain from voting on the resolution approving the transactions; and
 - (e) REDtone must immediately announce to the Exchange when the actual value of a Recurrent Related Party Transaction entered into by the REDtone Group exceeds the estimated value of the Recurrent Related Party Transaction disclosed in the circular by 10% or more and must include the information as may be prescribed by the Exchange in its announcement.

The Recurrent Related Party Transactions that are contemplated under the Proposed Mandates are in compliance with Paragraph 10.09(2) and the relevant provisions under items 3.1 and 3.2 of Practice Note 12 of the Listing Requirements. Where REDtone has procured a shareholders' mandate pursuant to the above, the provisions of the Listing Requirements as set out in Section 2.1.2 of this Circular shall not apply.

Transactions entered into between REDtone (or any of its wholly-owned subsidiaries) and its wholly-owned subsidiaries are excluded from the requirements of Part E of Chapter 10 of the Listing Requirements.

- 2.1.4 The Proposed Mandates, if approved by the REDtone shareholders at the forthcoming AGM, will take effect from the date of passing of the ordinary resolutions at the forthcoming AGM and shall continue to be in force until:-

- (a) the conclusion of the next AGM of REDtone following the AGM at which such ordinary resolutions for the Proposed Mandates were passed, at which time they will lapse, unless by ordinary resolutions passed at that general meeting, the authorities are renewed;
- (b) the expiration of the period within which the next AGM after the date it is required to be held pursuant to Section 340 (2) of the Act (but must not extend to such extension as may be allowed pursuant to Section 340 (4) of the Act); or

2.4 Methods or Procedures on which Transaction Prices are Determined/Review Procedures for Recurrent Related Party Transactions

The REDtone Group has established various methods and procedures to ensure that Recurrent Related Party Transactions are entered into on an arm's length basis, on normal commercial terms which are consistent with the Group's normal business practices and policies and are on terms not more favourable to the Related Parties than those extended to third parties and are not detrimental to the minority shareholders of the Company. They include inter-alia, the following:-

- (i) The transaction prices are based on prevailing market rates/prices that are agreed upon under similar commercial terms for transactions with third parties, business practices and policies and on terms which are generally in line with industry norms;
- (ii) The Related Parties and interested Directors will be notified of the method and/or procedures of the REDtone Group;
- (iii) Records of Recurrent Related Party Transactions will be retained and compiled by the Chief Financial Officer for submission to the Audit Committee for review;
- (iv) The Audit Committee is to provide a statement that it has reviewed the terms of the Recurrent Related Party Transactions to ensure that such transactions are undertaken based on terms not more favourable to the Related Parties than those generally available to the public, are not detrimental to the minority shareholders of the Company and are in the best interest of the REDtone Group;
- (v) Directors who have any interest in any Recurrent Related Party Transaction shall abstain from Board deliberations and voting and will ensure that Person(s) Connected with them will also abstain from voting on the resolution at the EGM or AGM to be convened for the purpose; and
- (vi) Disclosures will be made in the annual report on the breakdown of the aggregate value of the Recurrent Related Party Transactions during the financial year, amongst others, based on the following information:-
 - (a) the type of the Recurrent Related Party Transactions made; and
 - (b) the names of the Related Parties involved in each type of the Recurrent Related Party Transactions made and their relationships with the REDtone Group.

At least 2 other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the Related Parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities. Where quotation or comparative pricing from unrelated third parties cannot be obtained, the transaction price will be determined by the REDtone Group based on the Group's usual business practices to ensure that the Recurrent Related Party Transactions are not detrimental to the REDtone Group.

The guidelines for the relevant approving authority practised by the REDtone Group in relation to Recurrent Related Party Transactions are as follows:-

- (i) Transactions below RM1,000,000 each in value, will be reviewed and approved by the Group Chief Executive Officer or such other senior executive(s) (not being a person connected to the Related Party) designated by the Audit Committee from time to time for such purpose, and tabled for review by the Audit Committee on a quarterly basis.
- (ii) Transactions equal to or exceeding RM1,000,000 each in value will be reviewed and approved by the Audit Committee.
- (iii) The Group Chief Executive Officer or other senior executives(s) designated by the Audit Committee from time to time for such purpose, and the Audit Committee, may, as he/it deems fit, request for additional information pertaining to the transaction under review from independent sources or advisers, including the obtaining of valuations from independent professional valuers.

2.5 Statement by the Audit Committee

The Audit Committee of REDtone has seen and reviewed the procedures mentioned in Section 2.4 above and is of the opinion that the abovementioned procedures are sufficient to ensure that the Recurrent Related Party Transactions are carried out on terms not more favourable to the Related Parties than those generally available to the public and are not detrimental to the interests of the minority shareholders of the Company.

The REDtone Group has in place adequate procedures and processes to monitor, track and identify Recurrent Related Party Transactions in a timely and orderly manner. The Audit Committee conducts the review of these procedures and processes on an annual basis.

2.6 Amount Due and Owing by Related Parties Pursuant to the Recurrent Related Party Transactions

As at 30 June 2024, the total outstanding amount due under Recurrent Related Party Transactions which exceeded the credit term amounted to RM1,253,997 all of which are due less than one year. There is no outstanding amount due and owing by the Related Parties under the Recurrent Related Parties Transactions which exceeded the credit term of more than one year.

No late payment charge is imposed by the REDtone Group on amounts due and owing by its Related Parties that exceeded the credit term as the Board of REDtone has reviewed the outstanding amounts and is of the opinion that the outstanding amounts were part of normal business operations of the Group and are recoverable. In addition, the Board of REDtone and Management of the Group are of the view that the Related Parties are long term business partners and have sound credit standing. Similarly, neither are late payment charges imposed on amounts owing by non-related parties.

The Management of the Group has and will continuously discuss with the Related Parties for early settlement of the outstanding amounts due.

3.0 RATIONALE FOR, AND THE BENEFIT TO THE REDTONE GROUP FROM TRANSACTING WITH RELATED PARTIES

- 3.1 The Recurrent Related Party Transactions entered into or to be entered into by the REDtone Group are all in the ordinary course of business and intended to meet the business needs of the Group at the best possible terms so as to achieve the synergistic benefits within the REDtone Group. As such, it is anticipated that the Recurrent Related Party Transactions would occur on a frequent and recurrent basis.
- 3.2 The Proposed Mandates will eliminate the need to make announcements to the Exchange and/or to convene separate EGMs from time to time to seek shareholders' prior approvals for the REDtone Group to enter into such Recurrent Related Party Transactions. This will serve to reduce substantial administrative time and expenses in convening such EGMs without compromising the corporate objectives of the Group or affecting the business opportunities available to the Group.

(Incorporated in Malaysia)

PROPOSED AUTHORITY FOR THE COMPANY TO PURCHASE ITS OWN SHARES

1.0 INTRODUCTION

- 1.1 On 9 October 2024, the Board of REDtone announced that the Company proposes to seek a shareholders' mandate for the authority to purchase its own shares on the Exchange of up to a maximum of 10% of the total number of issued shares.
- 1.2 The purpose of this Statement is to provide you with the relevant details of the Proposed Share Buy- Back and to seek your approval for the ordinary resolution to be tabled at the forthcoming AGM, which will be conducted on a virtual basis through live streaming from the broadcast venue at Manhattan V, Level 14, Berjaya Times Square Hotel Kuala Lumpur, No. 1 Jalan Imbi, 55100 Kuala Lumpur on Tuesday, 3 December 2024 at 10.00 a.m. or any adjournment thereof via the Remote Participation and Voting facilities to be provided by the Poll Administrator of the Company, SS E Solutions Sdn Bhd via its e-Portal at <https://sshsb.net.my/>.

2.0 DETAILS OF THE PROPOSED SHARE BUY-BACK

- 2.1 A mandate is required from the shareholders of the Company to purchase up to ten percent (10%) of its total number of issued shares on the Exchange, subject to the compliance with Section 127 of the Act and the Prevailing Laws at the time of purchase. This mandate from the shareholders of the Company will be effective immediately upon the passing of the ordinary resolution for the Proposed Share Buy-Back at the forthcoming AGM and will continue to be in force until:-
- (a) the conclusion of the next AGM of the Company following the AGM at which such ordinary resolution was passed, at which time it will lapse, unless by ordinary resolution passed at that general meeting, the authority is renewed, either unconditionally or subject to conditions; or
 - (b) the expiration of the period within which the next AGM after that date it is required by law to be held; or
 - (c) revoked or varied by ordinary resolution passed by the shareholders of the Company in a general meeting,
- whichever occurs first.
- 2.2 Based on the issued share capital of the Company as at the LPD of 782,453,885 REDtone Shares, the number of shares that can be purchased by the Company is up to 78,245,388 REDtone Shares representing up to 10% of the total number of issued shares of the Company inclusive of the 9,502,000 REDtone Shares that have been purchased and retained as Treasury Shares. As such, the balance number of REDtone Shares that can be further purchased by the Company pursuant to the Proposed Share Buy-Back is up to 68,743,388 REDtone Shares.
- 2.3 The amount of funds to be allocated for the purchase of REDtone Shares pursuant to the Proposed Share Buy-Back will be financed through internally generated funds and/or borrowings, the proportion of which will depend on the quantum of the cash consideration as well as the availability of internally generated funds and/or borrowings at the time of the purchase(s). In the event the Proposed Share Buy-Back is to be partly financed by borrowings, the Company expects that it will be capable of repaying the borrowings and that the borrowings

will not have any material impact on the cash flows of the REDtone Group. In addition, the Board will ensure that the Company satisfies the solvency test as stated in Section 112(2) of the Act before execution of the Proposed Share Buy- Back.

- 2.4 The actual number of Shares Purchased, the total amount of funds to be utilised for each purchase and the timing of any purchase will depend on inter-alia, the market conditions and sentiments of the stock market, the availability of financial resources and the retained profits of the Company. The total consideration for the Proposed Share Buy-Back shall not exceed the retained profits of the Company based on the latest audited financial statements and/or latest unaudited financial statements of the Company (where applicable) available. The retained profits of the Company as per audited financial statements as at 30 June 2024 is set out below:-

	<u>Audited as at</u> <u>30 June 2024</u> <u>RM'000</u>
Retained profits	30,677
Consideration of Treasury Shares already purchased	(5,653)
Limit available	<u>25,024</u>

- 2.5 The Board of REDtone may resolve to cancel all the Shares Purchased, or retain all the Shares Purchased as Treasury Shares, or retain part thereof as Treasury Shares and subsequently cancelling the balance.

In the event that the Board resolves to cancel or retain the Shares Purchased, the REDtone Group would expect to enhance its EPS, and thereby investors are expected to enjoy a corresponding increase in the value of their investments in the Company.

If the Shares Purchased are to be kept as Treasury Shares, it may be realised with potential gain without affecting the total issued share capital of the Company. The Company may also utilise the Treasury Shares as share dividends to its shareholders depending on the availability of profits of the Company and/or resell the Treasury Shares in the open market to profit from any price appreciation of the REDtone Shares in the future. The Treasury Shares may be transferred for the purpose of an employees' share scheme or as purchase consideration.

- 2.6 REDtone may only purchase its own shares on the Exchange at prices which are not more than fifteen per cent (15%) above the weighted average market price of REDtone Shares for the five (5) market days immediately before the purchase(s).

The Company may only resell the Treasury Shares on the Exchange or transfer the Treasury Shares pursuant to Section 127(7) of the Act, at:

- (a) prices which are not less than the weighted average market price of REDtone Shares for the five (5) market days immediately before the resale or transfer; or
- (b) at a discounted price of not more than 5% to the weighted average market price of REDtone Shares for the five (5) market days immediately before the resale or transfer provided that:
 - (i) the resale or transfer takes place no earlier than 30 days from the date of purchase; and
 - (ii) the resale or transfer price is not less than the cost of purchase of the REDtone Shares being resold or transferred.

- 2.7 The Proposed Share Buy-Back will be in accordance with the Prevailing Laws at the time of the purchase including compliance with the twenty-five percent (25%) shareholding spread as required by the Listing Requirements. As at the LPD, the public shareholding spread of REDtone was approximately 41.57%. Based on the public shareholdings spread of the Company as at the LPD, assuming that the Proposed Share Buy-Back is implemented in full with the purchase from the public entirely, the shareholdings of the Directors and substantial shareholders of REDtone and/or persons connected with them will remain the same and all Shares Purchased will be retained either as Treasury Shares or cancelled, the public shareholding spread of REDtone is expected to reduce to approximately 35.87%.

3.0 RATIONALE FOR THE PROPOSED SHARE BUY-BACK

- 3.1 The Proposed Share Buy-Back will enable the Company to utilise any of its surplus financial resources to purchase its own shares which may have positive impact on the market price of REDtone Shares. The Proposed Share Buy-Back, if implemented may help to stabilise the supply and demand of the REDtone Shares traded on the Exchange and thereby supporting its fundamental value.
- 3.2 The Proposed Share Buy-Back may also improve the future EPS of the Group and the return on equity as a result of a reduced share capital base if the Shares Purchased are subsequently cancelled.
- 3.3 If the Shares Purchased are to be retained as Treasury Shares, it will provide an option for the Company to resell the Treasury Shares at a higher price and generate capital gain for the Company. Alternatively, it may be distributed as share dividends to reward REDtone's shareholders in the future.

4.0 POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED SHARE BUY-BACK

- 4.1 The potential advantages of the Proposed Share Buy-Back are as follows:-
- (a) allows the Company to take preventive measures against speculation particularly when the REDtone Shares are undervalued; and
 - (b) allows the Company flexibility in attaining its desired capital structure.
- 4.2 The potential disadvantages of the Proposed Share Buy-Back are as follows:-
- (a) the Proposed Share Buy-Back will reduce the surplus financial resources of the Group and may result in the Group foregoing better investment opportunities that may emerge in future; and
 - (b) as the Proposed Share Buy-Back can only be made out of retained profits of the Company, it will result in the reduction of financial resources available for distribution to shareholders in the immediate future.
- 4.3 Nevertheless, the Board of REDtone will be mindful of the interests of REDtone and its shareholders in implementing the Proposed Share Buy-Back and its subsequent decisions in handling such Shares Purchased.

5.0 EFFECTS OF THE PROPOSED SHARE BUY-BACK

5.1 Issued Share Capital

5.1.1 If the Shares Purchased are to be retained in full as Treasury Shares, the Proposed Share Buy-Back will not have any effect on the issued share capital of REDtone. However, the rights attaching to them as to voting, dividends and participation in other distributions and otherwise are suspended and the Treasury Shares shall not be taken into account in calculating the number or percentage of shares or of a class of shares for any purpose including substantial shareholding, takeovers, notices, the requisitioning of meetings, the quorum for a meeting and the result of a vote on a resolution at a meeting.

5.1.2 The issued share capital of REDtone will decrease if the Shares Purchased are cancelled. The proforma effect of the Proposed Share Buy-Back on the issued share capital of the Company assuming REDtone purchases and subsequently cancels up to 10% of the existing share capital is as follows:-

	<u>No. of REDtone Shares</u>
Issued share capital as at the LPD	782,453,885
Assuming all Shares Purchased are to be cancelled pursuant to the Proposed Share Buy-Back*	78,245,388
Resultant issued share capital	<u>704,208,497</u>

* *Inclusive of the 9,502,000 REDtone Shares as at the LPD that have been purchased and retained as Treasury Shares.*

5.2 NA and EPS

5.2.1 NA

The NA per share may be increased or decreased, depending on the purchase price and number of Shares Purchased. Should the purchase price per Share Purchased exceeds its existing NA per share at the time of purchase, the resultant NA per share should decrease accordingly. Conversely, should the purchase price per Share Purchased be lower than its existing NA per share at the time of purchase, the resultant NA per share should increase accordingly.

5.2.2 EPS

The effects of the Proposed Share Buy-Back on the EPS of REDtone would depend on the number of Shares Purchased.

5.3 Working Capital

The Proposed Share Buy-Back is likely to reduce the working capital of the Group, the quantum of which will depend on the actual purchase price and number of Shares Purchased.

5.4 Dividends

The Proposed Share Buy-Back may reduce the amount of distributable reserves available for payment of dividends in the immediate future.
